

St. Mary's Stewardship of Time and Talent

We are called to live the life of Christ, to be a community of believers, to Worship, to Justice, to Fellowship and Christian Formation.

We are called to go forth...

We welcome you and hope that you will prayerfully consider becoming involved in our parish community. Please check all ministries that interest you and return this form to the parish office. A ministry leader will contact you regarding your time and talents, and discuss how God will best use you!
